About Bear Necessities
Pediatric Cancer Foundation:

Bear Necessities Pediatric Cancer Foundation is a 501(c)(3) organization founded in late 1992 by Kathleen A. Casey, CEO/President. The foundation is named in memory of her eight-year-old son, Barrett "Bear" Krupa, who died after a courageous five and a half year battle with Wilms Tumor, a pediatric cancer.

Prior to his death on January 9, 1993, Bear and his mother discussed and planned the formation of Bear Necessities. During his long stay in the hospital, Bear expressed more concern for other pediatric cancer patients than he did for himself. He and his mother learned of the many hidden needs of both patient, family members, and the needs of the hospital facilities as well.
